# CONTAGIOUS EQUINE METRITIS

## BIBLIOGRAPHY

SEPTEMBER 1979

U.S. DEPT. OF AGRICULTURE  
NATIONAL ANIMAL HEALTH SERVICE  
REPORT

DEC 18 1979

PROGRAMS  
CURRENT LEADERSHIP

This bibliography is part of the Emergency Programs Foreign Animal Disease Data Bank. Articles in the Data Bank may be retrieved as paper copy. All articles in the system are in English. Those marked with a (T) before the title are translations of foreign language articles. The articles are arranged in an alphabetical order by author. If a source or a copy of an article is needed, the request by disease and article number should be submitted to the address below:

Chief, Technical Support Staff  
Emergency Programs, Veterinary Services  
APHIS, USDA, Federal Building  
6505 Belcrest Road  
Hyattsville, Maryland 20782  
Telephone: (301) 436-8087

We would appreciate receiving any additional English articles or English translations of articles which are not included in this bibliography.

UNDER THE PRIVACY ACT OF 1974, ALL DATA OF A PRIVACY NATURE MUST BE PROTECTED FROM UNAUTHORIZED DISCLOSURE. YOU ARE RESPONSIBLE FOR THE PRIVACY OF THIS DATA.
